6.2 Standard Prevailing Rate of Wages

In addition, unless superseded by federal law, all employees working on a public works contract must be paid prevailing wage rates in accordance with 18-2-401 through 18-2-432, MCA, and all associated administrative rules. Montana law requires that all public works contracts, as defined in 18-2-401, MCA, in which the total cost of the contract is greater than \$25,000, contain a provision stating for each job classification the standard prevailing wage rate, including fringe benefits, travel, per diem, and zone pay that the contractors, subcontractors, and employers shall pay during the public works contract.
