Conservation District Reserved Water Use Authorization Notice of Completion of Water Development

§85-2-316, MCA, **Form 106** (Revised 03/2026)

For Conservation District Use Only

CD Application #: _____ Date and Time Received: _____

Fee Received: _____ Received By: _____

When to use this form: This form must be filled by the authorization holder on each reserved water use authorization that was developed as originally authorized. This form serves as a notice of completion of a portion of the Conservation District's water reservation.

If the project required a **606-CD change authorization** use Form 618, Project Completion Notice for Change of a Water Right. You must submit this form to the DNRC Regional Office prior to the project completion date or the Change Authorization will be revoked.

Form 618 requirements: Refer to form for all requirements beyond the list provided below.

a. Water measurement field notes
b. Engineering survey
c. NRCS "As Built" survey
d. Records of maximum annual water use
e. A map of the completed project

Important Information: If the project was NOT fully developed as specified within the terms, conditions, order, and limitations of the Authorization issued, complete the Notice of Completion of Water Development for Projects Not Developed as Authorized, Form 106A and provide details of the allocation as actually developed.

Filing Fee: Contact the Conservation District regarding the filing fee schedule.
