IF ISSUED, THE RIGHT WILL BE SUBJECT TO PRIOR EXISTING WATER RIGHTS.

In general, the Department will make a draft preliminary determination to grant or deny this application within 60 or 120 days of the date the application is deemed and correct and complete (60 days if a preapplication meeting was held, 120 days if a preapplication meeting was not held). That date is currently unknown as the application has not yet been determined to be correct and complete. If the draft preliminary determination is to grant the application, the application will be published in the local newspaper and a notice will be sent to appropriators who, according to the department records, may be affected by the proposed appropriation. Individuals will have 30 days to submit a public comment about this application under §85-2-307, MCA, after the application has been published in the newspaper. If public comments are received, the Department will consider the public comments and update the preliminary determination. If the preliminary determination is to grant the application, the application will again be published in a local newspaper and a notice will be sent to anyone who submitted a public comment, along with appropriators who, according to the department records may be affected by the proposed appropriation. Individuals will have 30 days to submit an objection under §85-2-308, MCA, after the application has been published in the newspaper.

Direct questions regarding this application to the Water Resources Regional Office, 2705 SPURGIN RD, BLDG C, PO BOX 5004, MISSOULA, MT 59804-5004 PHONE: 406-721-4284 FAX: 406-542-5899.
