

To access Preliminary Maps, click on Search All Products

The screenshot shows the FEMA Flood Map Service Center homepage. On the left is a navigation menu with 'MSC Search All Products' highlighted by a green arrow. The main content area has a heading 'FEMA Flood Map Service Center: Welcome!' and a section 'Looking for a Flood Map?' with a search input field and a 'Search' button. Below this is a section 'Looking for more than just a current flood map?' with a link to 'Search All Products'. A second green arrow points to this link. Further down is an 'About Flood Map Service Center' section and an 'Announcements' section. At the bottom, there are social media sharing icons and a footer with various government links.

**Under Jurisdiction select Montana, Granite County, Granite County All Jurisdictions
Then Hit the blue search button.**

The screenshot shows the 'Search All Products' page. The navigation menu on the left has 'MSC Search All Products' highlighted by a green arrow. The main content area has a heading 'FEMA Flood Map Service Center: Search All Products' and a sub-heading 'Choose one of the three search options below and optionally enter a posting date range.' Below this is a search form with three columns: 'Jurisdiction', 'Jurisdiction Name', and 'Product ID'. The 'Jurisdiction' column has dropdown menus for 'State' (MONTANA), 'County' (GRANITE COUNTY), and 'Community' (GRANITE COUNTY ALL JURISDICTIC), with a green arrow pointing to the 'Community' dropdown. The 'Jurisdiction Name' column has a text input field with a placeholder '(Ex. Fairfax County-wide or 51059C)'. The 'Product ID' column has a text input field with a placeholder '(Ex. Panel Number, LOMC Case Number)'. Below the form is a 'Filter By Posting Date Range (Optional)' link and a blue 'Search' button with a 'Clear All Fields' button next to it. A second green arrow points to the 'Search' button. At the bottom, there are social media sharing icons, a footer with various government links, and an 'OIG HOTLINE Report Fraud Waste & Abuse' banner.

All the preliminary maps and reports can be found under the preliminary products section.

Please note: Preliminary data are for review and guidance purposes only. By viewing preliminary data and maps, the user acknowledges that the information provided is preliminary and subject to change. Preliminary data, including new or revised FIRMs, FIS reports, and FIRM Databases, are not final and are presented on the MSC as the best information available at this time. Additionally, preliminary data cannot be used to rate flood insurance policies or enforce the Federal mandatory purchase requirement. FEMA will remove preliminary data once effective data are available.

Use the index maps to find the map that is for your area.

▼ Preliminary FIRM Panels (41)

Please note: Searches often result in many map files listed under a given section. You can determine the Product ID for the individual map panel needed by looking at the Map Index file. The index map files have "IND" within the Product ID and appear at the start of the list. These index files show an overview of a jurisdiction and how it is subdivided into map panels with the Product ID for each panel shown.
