

# NON-FILED WATER PROJECT ADDENDUM

This addendum must be completed and the required information attached to a change application (Form 606 or 634) if you do not have a DNRC water right number, and the following information applies:

Water rights for stock and domestic uses from groundwater sources (wells or developed springs) were exempt from the general adjudication filing requirements for claims of existing water rights if they met either of the following criteria:

- A. The water was put to use prior to January 1, 1962, or
- B. The water was put to use between January 1, 1962 and July 1, 1973, and a notice was recorded in the courthouse records.

Water rights for instream stock and domestic from surface water was also exempt from the general adjudication filing requirements if put to use prior to July 1, 1973.
