2. Who is the current owner of the terminated Provisional Permit/Change? Check one.

- Owner listed in the DNRC water right record.
- Owner not listed in the DNRC water right record.

*If the owner is not listed in DNRC records, and the owner transfer occurred prior to July 1, 2008, an Ownership Update (Form 608) and the associated filing fee must be submitted along with this form.

3. Request is to reinstate Provisional Permit/Change Authorization number: _____

4. Why is this request being made?

5. Complete Step 5 if the project has been completed.
 If the project has been completed, attach a Project Completion Notice (Form 617 for Provisional Permit or Form 618 for Change Authorization) to this form. The information provided must conclusively show that the project was completed by the deadline stated on the permit/change authorization.

Options include, but are not limited to:

- Invoices from purchases for project
- Dated Map showing completed project
- Power Bills for project operation
- Dated Pictures
- Rental Equipment receipts
- Notarized affidavit

6. Complete Step 6 if the project has not been completed.

If the project has yet to be completed, attach an Application for Extension of Time (Form 607) to this form. In addition to the questions on the Application for Extension of Time describe the circumstance that led to the failure to file for the extension within the time allotted. This information must provide by clear and convincing evidence that the failure to comply with the permitted time limit was the result of excusable neglect.

A timely extension was not filed for the following reason:

7. The statements appearing here are to the best of my knowledge true and correct.
