

**APPENDIX 3**

**NON-TRIBAL WATER RIGHT CLAIMS**

**UPSTREAM OF THE RESERVATION**

## UPSTREAM NON-TRIBAL WATER RIGHT CLAIMS

A list of water rights currently claimed by non-Indian interests upstream from any point on the reservation is presented in the attached listing. The Tribal water right shall be subordinate to water rights from this list recognized under state law with a priority date before the ratification date of the Compact. Appendix 3 will be modified by any final decree resolving claims on the affected drainages and may be modified as a result of clerical errors or omissions.

## APPENDICES # 3 - NON-EXEMPT WATER RIGHTS UPSTREAM OF THE RESERVATION

This list is intended to reflect claims to water rights and permits with a priority date before the effective date of this Compact and recognized under State law and not subject to an exemption from filing or permit application. Any discrepancy between this list and the Department of Natural Resources and Conservation data base shall be resolved by reference to the data base.
